April 12, 2010

Dear Sir or Madam:

The McNairy County Board of Education has agreed to put in a new basketball court if we can raise \$25,000. We already have \$12,000 and are working hard to come up with the rest by **May 7, 2010**.

We know that times are hard and money is tight, but this is a project that is well overdue. We are not asking for a large donation, just a small one. We will be placing the name of each person or business that has made a donation on the wall outside the gym.

Please help us by returning this letter and your donation no later than **May 7, 2010**. Please make checks payable to "MCHS Gym Floor Fund." Thank you for your support.
