Class Expectations

Attendance is very important because the learning that takes place in this class builds on what was learned the day before. Students need to take care of bathroom needs before class begins. Also, no one should be asking to go to the Auxiliary Gym or to E Pod.

- 1. Students will be in their seats and prepared for class when the tone sounds.**
- 2. Students will follow all guidelines set forth in the student handbook.**
- 3. Students will be respectful of everyone and everything in the class.**
 - *Stay away from my things!!!*
 - Do not spray any scented sprays.
 - Do not use any hand sanitizer except what I provide.
 - Do not use any scented lotions.
 - Do not touch someone else's property...not even as a joke.
- 4. All work will be original and turned in on time.**
